Tradición, diseño y fabricación propia desde hace más de 40 años.

Escayola Saz es una empresa familiar especializada en la fabricación de elementos decorativos de escayola para arquitectura, interiorismo y rehabilitación.

Durante más de cuatro décadas hemos combinado el conocimiento artesanal de nuestro oficio con nuevos procesos de fabricación, manteniendo algo que para nosotros sigue siendo esencial: la calidad del producto y el cuidado de cada detalle.

Actualmente contamos con más de 1.200 referencias, entre cornisas, molduras, frisos, baquetones, rosetones, columnas, pilastras, plafones y numerosos elementos ornamentales capaces de adaptarse tanto a proyectos clásicos como contemporáneos.

Pero nuestro catálogo es solo el punto de partida.

Cuando un proyecto necesita algo diferente, lo diseñamos y fabricamos a medida.

Recuperamos modelos existentes, desarrollamos nuevas piezas y buscamos soluciones específicas para integrarnos en las necesidades reales de cada obra.

Nuestra experiencia trabajando junto a arquitectos, interioristas, decoradores, constructoras y profesionales de diferentes oficios nos permite afrontar desde pequeños trabajos personalizados hasta proyectos de gran envergadura.
